

HOSPITALITY MANAGEMENT PROGRAM

Chaffey  College

JOIN THE EXCITING AND VERSATILE FIELD OF HOSPITALITY MANAGEMENT!

The Hospitality Program helps students get ready for entry-level jobs, advance in their careers in the industry, or smoothly transition to four-year colleges to finish their Bachelor's degree.

Our hospitality management program prepares students to work in hotels & resorts, food service, event planning, and facilities management to name a few sectors. These in-demand careers expected to grow by about 3,000 positions per year throughout the Southern California area.

Our strong internship program with local hospitality organizations will help you achieve gainful employment.

Highlights of the Program

- Professors with national and international industry experience
- Professors with affiliations with industry professionals
- Professors possess expertise in various areas, including but not limited to law, tourism, hotel operations, event planning, and sales & marketing.
