

## Campus Update – 01/05/2023

Hello everyone,

Welcome back! I hope you had an enjoyable holiday break and happy new year. With the recently published CalOSHA update on COVID-19 response, effective immediately, the District will no longer require employees and students to complete the COVID-19 prescreening and building entry logs. Should the regulations be updated and/or reimplemented in the future, we will respond and adjust our processes accordingly.

Thank you for your diligence in complying with these temporary directives for the past several months.

Please let me know if you have any questions.

Susan
